

WILDLIFE GARDEN

COMPETITION

Drew Smith is calling on school children to design their perfect wildlife garden.

No matter the size or shape of your outside space, you can create a garden that wildlife will love. Whether it's plants to please the bees, ponds for the frogs or even trees for the birds, we want to see your designs to create a garden that will let wildlife go wild!

Our chosen winner will be awarded with £500 National Garden Gift Vouchers to create a wildlife garden in their school grounds. Two runners up will be awarded with items for their school garden that will help to attract wildlife.

For more details please visit:
www.drewsmithhomes.co.uk/community

HOW TO ENTER

1.

Ask your teacher or parent/guardian to show you the information on helping wildlife into your garden, which you will find in this pack.

2.

Using the template in your pack, design your perfect wildlife garden, making sure each area is labelled.

3.

Ask your teacher or parent/guardian to scan or photograph your entry and email it to marketing@drewsmith.co.uk before Friday 29th April. Make sure to include your name, age and contact details as well as the school you attend.

Get a grown up to take a photo of your design and share it on Twitter using [#MyDrewSmithGarden](https://twitter.com/MyDrewSmithGarden)
