# New vs old - it's no contest!

## The best thing is - it's all brand new!

- No sorting someone else's DIY disasters or dated decorations – you've got a blank canvas to make your own
- New roofs, kitchens and boilers cost thousands of pounds but this is all included so you'll have nothing to worry about
- You'll make loads of savings on energy bills – new homes are six times more energy efficient compared to a Victorian house of the same style<sup>†</sup>
- All appliances are 'straight out of the box' and fully guaranteed<sup>‡</sup>
